Certification Type:	ETL Listed - US and Canada

Notification

Intertek notifies consumers, retailers and distributors of a potential safety concern involving the Intertek Certified products identified below. / Intertek informe les consommateurs, les détaillants et les distributeurs d'une préoccupation potentielle en matière de sécurité impliquant les produits certifiés Intertek identifiés ci-dessous.

Company Identification

Pi-Design AG

Product Identification

The recalled products are branded as Bodum Bistro toaster in stainless steel: (1) a two-slice model with SKU 10709-16-4 and (2) a four-slice model with SKU 11840-16. The SKU number appears on the bottom of the toaster. The word "Bodum" is embossed on the side of the products. The labels show the following models 10709 and 11840 applied with the cETLus certification mark with control number 5010552

Recall number: 19-169 at link: <https://www.cpsc.gov/Recalls/2019/Bodum-Recalls-Toasters-Due-to-Shock-Hazard>

Hazard Involved

The recalled toasters can leak electric current when operating at the maximum normal temperature, posing a shock hazard to consumers.

What To Do

Use should be immediately discontinued and return to the point of purchase. Distributors and retailers should discontinue sales and return inventories to their suppliers. / L'utilisation doit être immédiatement interrompue et revenir au point d'achat. Les distributeurs et les détaillants doivent cesser les ventes et retourner les inventaires à leurs fournisseurs.
